**Subject : Request for amendment of Annexes I, V and VI of Regulation (EC)  
No 889/2008**

Dear Mr Karl Plsek,

Thank you for your e-mails sent on Friday 17 June 2011. Your requests concerning the inclusion of renewable calcined phosphate and xylit in Annex I of Regulation (EC) No 889/2008 and lignocellulose in Annex V and VI of Regulation (EG) No 889/2008 and the relevant dossiers have been received.

As regards the technical evaluation of these substances they could be one of the items for the agenda of one of specific sub-group meeting that we may set up in future.

I remind you that according to Article 21.2 second paragraph the dossier supporting the request should be sent officially to all Member States.

Yours sincerely,

Jean-François HULOT
